RE: Mid Year Funding for Bethel Towers

Please accept this letter as a formal request for an eight (8) month extension on the spending authority of the funds given to NBC/Bethel on May 5, 2003.

Without the funds in hand we could not advertise the positions or make needed purchases. When we actually received the funds, there were only four (4) months remaining to exhaust the funds allocated for the following line items. Since receiving the funds, we have taken the following actions:

Bus Driver – under contract

Wheel Chairs- on order

Activity Coordinator – has been employed

Security Guard- under contract

Service Up-Keep of Bus and Field Trip – has been scheduled through June 2004

As noted, the funds are much needed and will significantly improve the quality of life for the seniors who reside at Bethel Towers. We appreciate your cooperation in granting us an extension to complete this much needed project. If you have any further questions concerning this matter, please do not hesitate to call me or Fonda B. Murray at (850) 222-8440.

Sincerely,

Rev. R. B. Holmes, Jr.
Pastor

RE: Mid-Year Funding request Approved by the Board of County Commissioners for Kids Incorporated of the Big Bend

Dear Mr. Rosenzweiz:

I have enclosed three copies of a Mid-Year Funding Agreement between Leon County and Kids Incorporated of the Big Bend as approved by the Board of County Commissioners on September 16, 2003. The funding agreement provides \$5,000 from the County's General Fund Contingency for our 13th Annual Night of Champions. The proceeds from this event will fund scholarships for low income working families who could not otherwise afford quality childcare. The funds raised will be matched with state funds distributed by the Child Care Executive Partnership program. The REACH Scholarship program enables limited state funds to be maximized through private donations.

I would like to request an extension for the disbursement of funds from this agreement. The request was presented to the Leon County Commissioners late in your fiscal year and the funds will not be expended until after the event. The funds will be expended by December 31, 2003.

Thank you for helping us to provide these critical services in the Big Bend region. Your support will have a long-term impact on the children in our community who receive these scholarships. If you have any questions please contact me at 414-9800 ext. 107.

Sincerely,

RE: Mid-Year Funding Request Extension

Dear Mr. Rosenzweig:

We are herby requesting an extension on the awarded \$10,000 approved on September 23, 2003 from the County's General Fund Contingency. We were unable to expend the award by the close of the federal fiscal year since we had not received the award prior to September 30, 2003.

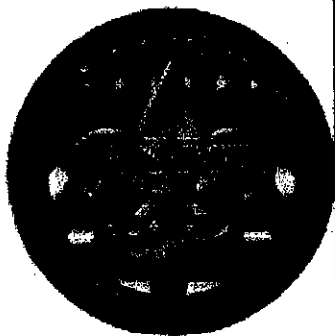

Your consideration when reviewing this request is greatly appreciated.

If you have any questions please feel free to contact me at 850/414-6085 (X209).

Dear Commissioners:

Thank you for your support for the upcoming Distinguished Citizens Award Golden Eagle Dinner honoring Sheriff Larry Campbell. I understand that since the dinner isn't until October 28, 2003 and the money was issued under last years budget, I need to request an extension on the use of the allocated funds.

Anything you can do to grant this extension will be greatly appreciated.
